A Blend of
Royal Design & Elegance

Transforming spaces into majesty

B.S. Buildtech is an ideal blend of professionalism, commitment and a true concern for customers. With a burning desire to develop affordable real estate projects within the stipulated time, B.S. Buildtech is emerging as a key player in the field of real estate development. We endeavor to deliver world-class addresses in the midst of green surroundings at a time committed.

B.S. Buildtech goes beyond a developer's role of bridging the gap between builders and end-users. The company is visionary, capable of looking years or even decades, beyond today's world to efficiently fix on what tomorrow's businesses and consumers will demand. Thus, the company searches for an opportunity and drives it to reality. The driving force within the company is not to "Meet" the construction and delivery targets but to "Beat" these targets.

Sonata of Luxury

Uncover the blend of fresh, dynamic and opulent lifestyle with **Heritage Height**. This masterpiece of architectural creativity is designed to offer an elegant lifestyle. Each home at Heritage Height is distinctive in design that beautifully accentuates the landscape of this community. Comfort and luxury are engendered from this epitome of majesty.

Live amidst Verdant Milieu

Heritage Height is a spectacular home set in the heart of the beautiful and un-spoilt stretch of Greater Noida West offering truly magnificent views across verdant plains. It's an incredibly peaceful location which is ideal for a totally relaxing life amidst natural landscape.

Unwind amidst pleasure
